Jade Jagger

With her mother's exotic looks and her father's wild ways, Jade Jagger, 31, was always destined to be a rock chick. Whether glammed up in chiffon and pearls or dressed down in a slip dress and trainers, she sets the trends without even trying. Here's how to get her look... By **KAREN CLARKSON**

Hair

She's the darling of the fashion world but, unlike Kylie and co, she doesn't spend hours being groomed to perfection. A rustic girl at heart, she admits, 'I don't brush my hair very much.' Her locks owe more to Mother Nature and her lifestyle than the salon. Get her look with John Freida's Ocean Waves hairspray - infused with coconut oil, it smells sexier than any beach we know. £4.95, (0800-085 3813)

Make-up

Blessed with a burnt-sugar complexion and electric-blue eyes, Jade needs little help from the cosmetics counter. But even she needs a coat of mascara to help her look alluring. Along with Lucy Liu and J-Lo, she's a fan of Blinc's Lash Fantastic long-lasting mascara. Apparently, this hi-tech mascara creates tiny tubes around the lashes which don't smudge or smear until you rinse it off with water. £19, www.Blincinc.com

Jewellery

When it comes to gems, Jade's always been a magpie so it was only natural that she should turn her hand to designing herself. Her own jewellery range, Jade Inc, was a hit in the '90s

Jacket

Vogue dubbed her the most glamorous Earth Mother in the world so it's no surprise that fashion designers across the globe are queuing up to dress her. One member of the exclusive Jade Jagger Mutual Appreciation
