STEPPIN' OUT WITH:

**DICK**  
**SMITH**

### *KISS ME MASCARA*

*This unique formula from the 200-year-old Japanese company forms a tiny, individual tube to coat each lash, which prevents the mascara from running. No need for eye make-up remover since the mascara comes off with a combination of water and gentle pressure.*

**Issue #25**

Display until Aug 5 2000  
\$6.95 U.S./ \$8.50 Canada
