Product Spotlight

Kiss Me Mascara by **Blinc** has a unique formulation, which forms a tiny, individual "tube" around each lash as it dries. Because Kiss Me doesn't contain oil-based paint, it won't run, smear or smudge, even when it's exposed to sweat, tears, or rain. For more information, contact Blinc, (877) 4-KISSME or (703) 448-9008, or visit the company's website at www.blinc-inc.com.
